

## The Route Guide to the conference venue is available.

Dear Sir/Madam,

Please attention to the following routes from the Beijing International Airport to the conference venue ([Beijing Normal University](#)). You can choose any one to arrive at the destination:

### First:

You can take the Airport Bus to "Beitaipingzhuang" bus-station first (about RMB16), and then take a taxi to Beijing Normal University (about RMB10). The airport bus starts from the airport each 30 minutes.

### Second:

You can take a taxi directly. You would spend about RMB100 from the Airport to the University.

Look forward to see you soon!
